

**LEXINGTON FARMERS MARKET
SATURDAY, OCTOBER 14
10:00 am until 1:00 pm**

This Saturday, we honor Bonnie Blader, one of the market's founding leaders, by the dedication of *Bonnie's Trail*. Hope to see you at the market and at the 3:00 dedication.

This market will be the last of the 2023 season. It is always a sad day to say our good-byes to vendors and customers who make the market possible but the market doesn't hibernate. The months in-between seasons are spent planning for the next year.

Hope your garlic is in the ground, your wood is stacked and you're thinking about unpacking your winter clothes.

Best wishes to all of our supporters and look forward to seeing you under the Pavilion next year.

***PS Holiday Market Saturday, December 2, 10:00 am to 2:00 pm, Westkill
Lexington Community Hall, Westkill***
